Please read and complete the form below as acceptance of our Bond Terms and Conditions.

Keys will not be issued until receipt of Security Bond Acceptance Form prior to your stay.

All guests are required to provide a security bond in the form of credit card details. These details are required as security for the property in the event of damages, breakages, excessive cleaning (as determined by our Professional Cleaner and after inspection by Century 21 Conolly Hay Group), loss or theft or key replacement due to keys being left at property after check out. If no credit card is available, a cash bond may be requested. This document is held in our office for 30 days after departure and will then be destroyed.
